Understanding Metalepsis: The Hermeneutics of Narrative Transgression

1. Understanding Metalepsis

Understanding Metalepsis provides a state-of-the-art overview of the narratological concept of metalepsis and develops new ways of investigating the forms and functions of metaleptic narratives. Informed by a hermeneutic perspective, this study offers not only an account of the complexities that characterize the process of understanding metaleptic phenomena, but also metatheoretical insights into the hermeneutics of narratology.

5. Understanding Metalepsis The Hermeneutics of Narrative

Since Genette's (1980, 234f.) initial definition of metalepsis as the transgression of narrative levels, as when the extradiegetic narrator or narratee interferes in or seems to be situated on the level of the diegesis, or the inverse, the concept has been broadened.

8. Metalepsis andas Hermeneutics

The narratological concept of metalepsis - designating a transgression of boundaries, for example the boundary between author or reader and character, or between story and discourse, or between a storyworld and reality - has re-

19. Narrative hermeneutics in search of narrative data

Narrative hermeneutics: in search of narrative data. ... From this perspective, narration is an aspect of self-interpretation and self-understanding. Furthermore, self-understanding is not only achieved within our own narratives, but depends upon the regard, words and actions of others. This must be accounted for in our search for narrative data.
